Dear Freddy Martinez:

This letter is in response to your records request dated July 3, 2019, in which you have made a request for records pursuant to the Wisconsin Public Records Law. Wis. Stat. §§ 19.31-39. You have requested:

- See attached request regarding face recognition technology.

The public policy in this state is to give the public the greatest amount of access to government records as possible. Wis. Stat. § 19.31. The general presumption is that government records are open to the public unless there is a clear statutory or common law exception. If there is no clear statutory or common law exception the custodian must "decide whether the strong presumption favoring access and disclosure is overcome by some even stronger public policy favoring limited access or nondisclosure." *Hempel v. City of Baraboo*, 2005 WI 120, § 28 (Citations omitted). Notwithstanding the presumption of openness, the public's right to access to public records is not absolute. *Journal/Sentinel v. Agerup*, 145 Wis. 2d 818, 822 (Ct. App. 1988).

Upon review of your request and upon inspection of MPD's records, the records custodian has determined that there are no records that are responsive to your request regarding software or services by Rekognition, Face ++, and FaceFirst. Under Wisconsin law, a records custodian need not create a new record in response to a records request for a nonexistent record. Wis. Stat. § 19.35(1)(L).

This determination is subject to review by *mandamus* action under Wis. Stat. § 19.37(1), or upon an application to the Wisconsin Attorney General or the Milwaukee County Corporation Counsel.

Sincerely,

ALFONSO MORALES
